

# If you want to help children, invest in adult literacy.

A parent's literacy level is a strong predictor of a child's school success.

**We have adults waiting for a tutor like you.**

No teaching background is required. Training, resources and staff support are provided.

To register for winter tutor trainings visit [literacyforlife.org/tutors](http://literacyforlife.org/tutors) or call 757-221-3325.
